

Objective

The student will produce words for categories.

Materials

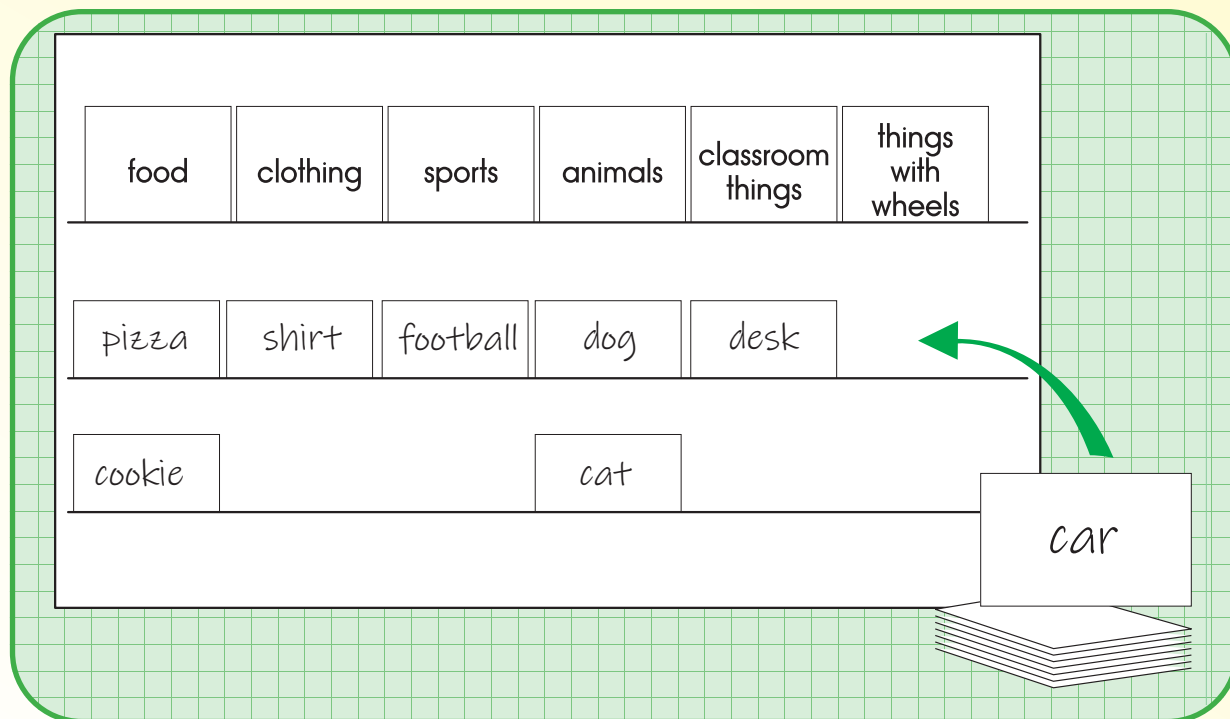

- ▶ Pocket chart
- ▶ Header cards
- ▶ Category Cube
- ▶ 30 Index cards
- ▶ Markers or pencils

Activity

Students produce and categorize words by rolling a cube and writing corresponding words.

1. Place Category Cube and pocket chart with header cards at the center. Place index cards in a stack.
2. Taking turns, students roll the word cube and read the category that lands on top (e.g., things with wheels). Say a word that goes with that category (e.g., car).
3. Write the word on an index card and read it.
4. Place the word card on the pocket chart under the correct category.
5. Continue until all the categories have five cards.
6. Peer evaluation

Extensions and Adaptations

- ▶ Record sorted words and other related words on the student sheet.
- ▶ Make other headings and category cubes.
