## Narrative Text Structure

C.011

### Story Question Cube

#### Objective

The student will identify story elements.

#### Materials

- ▶ Narrative text  
*Choose text within students' instructional-independent reading level range or teacher read-aloud.*
- ▶ Question cube  
*Copy on cardstock, cut, and assemble.*
- ▶ Student sheet
- ▶ Pencils

#### Activity

Students discuss the parts of a story using a question cube.

1. Place text and question cube at the center. Provide each student with a student sheet.
2. The students read the text or review the teacher read-aloud.
3. Taking turns, roll the question cube, read the question, and answer it in relation to the text.
4. Discuss and write or illustrate the answer on the student sheet.
5. Continue until student sheet is complete.
6. Teacher evaluation

The illustration shows an open book on the left. In the center is a white question cube with three visible faces. The top face asks "Where does the story take place?". The front face asks "What happens in the story (beginning, middle, end)?". The right face asks "How was the problem solved?". To the right is a student sheet titled "Story Question Cube" with a "Name" line and a "C.011" label. The sheet has a table with six rows and two columns. The first row is for the title. The second row has the question "Where does the story take place?" and the answer "The story takes place in the woods." The third row has the question "What happens in the story (beginning, middle, end)?". The fourth row has the question "How was the problem solved?". The fifth row has the question "Who are the characters?". The sixth row has the question "Why did the problem happen?". The seventh row has the question "When does the story take place (time)?". A yellow pencil is shown pointing to the fourth row.
